Financial Policy

Dr. David Yoon, DMD

INITIAL OFFICE VISIT

We are committed to providing you with the best possible care. In order to achieve this goal, we need your assistance and your understanding of our payment policy so that we can minimize our billing cost.

PAYMENT AT THE TIME OF SERVICE

For patients without insurance, payment in full is required at the time of service. We will give an estimate of the cost of your treatment if you request one.

For patients with insurance, with which we are a participating provider we will gladly submit your claim. **You are required to pay your estimated co-pay at the time of service. Therefore, please come prepared to make a payment at each visit.** As a courtesy for patients without insurance we offer a 10% discount on services paid in full up front with cash or check. 7% discount if credit card is used. Cash, check, money order, Discover, MasterCard, and Visa are all acceptable forms of payment.

FINANCE CHARGE AND LATE FEES

For all accounts with a balance 60 days or over, there will be a finance charge of 1.5% monthly with a percentage rate of 18% per year. A monthly late charge of \$25.00 will be applied to all accounts over 60 days that do not show monthly payments. In the event your account is turned over to a collection agency, you are liable for any clerical, legal and collection fees incurred. There is a \$25.00 NSF fee for all returned checks.

DENTAL INSURANCE

We do not participate with any HMO plans. HMO dental plans will not make any payment for treatment at this office. PPO dental plans will make payments based on their fee schedules. Patients are responsible for any balance not paid by insurance up to the agreed upon usual and customary fee schedule as set by the insurance company. We will be happy to file your dental insurance claim for you, once for each dental treatment. Follow up with the insurance company is your responsibility. Any insurance claim that has not been paid within 90 days will be billed directly to the patient. Dental insurance is designed to reduce the cost of your dental care. Very few plans are designed to cover everything. Most plans have a "deductible" and then pay only a portion of the cost of dental treatment.

We will give you an estimate of what your insurance company might pay if you request one. We cannot know how much your policy will pay on different treatments until their payment is actually made. You are responsible for the entire fee, not the insurance company. The portion of the estimate that is not covered by the insurance company (as close as we can figure) is due at the time of service.

Please be aware that your dental insurance carrier may have frequency limitations and/or waiting periods for certain services. These services normally include: cleanings, exams, x-rays, crowns, bridges, dentures, and replacement fillings. Please understand that it is impossible for us to have detailed information about every insurance plan. **Therefore, we ask you to be responsible for understanding your insurance carrier's coverage limitations.**

*****This office places resin fillings (tooth colored) unless you request amalgam (silver). These fillings are paid for by the insurance companies at a different rate so please be aware of what amount your insurance company pays for these procedures*****

BROKEN APPOINTMENT POLICY

We ask every patient to kindly give us 24 hours advance notice when canceling or rescheduling a dental appointment. This will allow us substantial time to offer other patients the appointments for which they waiting have been waiting. If you are unable to give a minimum of 24 hours advance notice you will be charged a broken appointment fee ranging between \$60-\$90. You will also be required to pay this amount in full before your next visit. Thank you for helping us maintain a schedule which works for everyone.

I UNDERSTAND AND AGREE TO THIS FINANCIAL POLICY
